**WHEREAS**, Atlas Disposal Industries, LLC, a Utah limited liability company (the “Applicant”), and/or its affiliates (collectively, the “Company”) has submitted an application (the “Application”) requesting that the Authority assist in financing the acquisition and construction of solid waste disposal facilities, rolling stock and equipment as more fully described in the Application (collectively, the “Project”) to be owned and operated by the Company, and have presented an estimate of the maximum cost of such Project as shown in Exhibit “A” attached hereto; and

**WHEREAS**, the Authority desires to encourage the Company to provide solid waste disposal facilities and equipment which will serve the public of the State; and

**WHEREAS**, the Authority deems it necessary and advisable to further the purposes of the Act that the Project be acquired at the earliest practicable date, but the Company requires satisfactory assurances from the Authority that the proceeds of the sale of bonds of the Authority will be made available to finance such Project; and

**WHEREAS**, the Company expects to incur or pay from its own funds certain expenditures in connection with the Project prior to the issuance of indebtedness for the purpose of financing costs associated with the Project on a long-term basis; and

**WHEREAS**, subject to meeting all the conditions set forth in this resolution the Authority reasonably expects that debt obligations in an amount not expected to exceed \$6,775,000 will be issued and that certain of the proceeds of such debt obligations will be used to reimburse the Company for its prior expenditures for the Project; and
